BushwickBK.com: omg
BushwickBK.com: this is the absolute most awward thing I have seen in, I dunno, days
BushwickBK.com: ok I can't finish
BushwickBK.com: but now I want a cannoli, great
BushwickBK.com: toobad there aren't any edible ones in Bushwick
me: I stole two packages of Italian sausage last night from God knows where
BushwickBK.com: I take it back, circo's is edible, but barely
me: some yuppie store, I think
BushwickBK.com: you must have had a big jacket on
me: hadn't stolen anything in a decade
BushwickBK.com: why;d you feel liek stealing those?
me: well, it was those little links
BushwickBK.com: whcihs tore
BushwickBK.com: I mean where
me: I have no idea, was really drunk, left some girl's place at Bedford
me: 245 Bedford, according to package
BushwickBK.com: haha
me: Khim's Millenium Market
BushwickBK.com: oh fyck them
BushwickBK.com: they once tried to sell me a watermelon for $30
me: anyway, just cooked up a bunch of them in a frying pan with some French toast
me: was pretty awesome
BushwickBK.com: I like wealth transfers from statists to anti-statists
me: think I might throw the rest in with some pasta
me: yeah
me: I should admit, though
BushwickBK.com: it's consistent with their philosophy, so no harm done
me: that I'm simply a criminal anyway and the only reason I don't normally steal is because I consider it unseemly
me: and impolite
BushwickBK.com: then you're way ahead of most criminals
me: also, there's really not much I want
me: except for those sausages
BushwickBK.com: there's not much I want worth getting caught stealing
me: well, it might be good publicity if I was caught
BushwickBK.com: I'd steal in a second if I could get away with it easily

BushwickBK.com: hah for whom
me: both me and the store
BushwickBK.com: you're a born promoter
me: I'd be like, "Yeah, society has failed to properly reward my talents and I must steal sausage to survive, clearly a great re-shifting of paradigms is needed"
me: of course I'd be lying
BushwickBK.com: haha
BushwickBK.com: that would get you into gawker in a second
BushwickBK.com: bushwick-hipster-stealing organic sausages-system manifesto UES GAWKER BIMBO HEAD EXPLODE
me: the truth would be, "I blew my book advance on heroin and am now slightly inconvenienced due to my own faults, had plenty of food but wanted this particular sort of food as well but the rest of my money had gone to cigarettes and also I am of Irish blood"
BushwickBK.com: LOL
me: not much of an indictment of capitalism, really
me: so much as it is a confirmation of what the English thought of the Irish
BushwickBK.com: your inferior papist will leads you to steal
me: lol
BushwickBK.com: this is why God appointed English landlords to care for his Irish children
me: Papism only leads to inflation, corruption, not outright theft
me: lol
me: that's the best argument for god's existence ever
me: his Irish children
me: lol
me: oh, the rape article is up
me: http://www.nypress.com/article-21228-slow-your-role.html
BushwickBK.com: looks just like both of you
me: yes, except she's Asian
me: guy kind of over-edited my version
BushwickBK.com: I'm bored halfway through hers
BushwickBK.com: maybe because i already knwo what hapened
BushwickBK.com: but also she just writes liek she's writing porn
BushwickBK.com: which I find boring
me: yeah, me too, and it's even about me
me: exactly
me: they wanted me to put in more sexual language on my edit
me: I don't really write about sex
me: I can't write "I was fucking her from behind" without a great struggle
